

# How to get better pictures using camera settings

## Getting more of what you want and less of what you don't want

Date: Saturday, Feb 11th

Time: 9 am to noon

Place: Old Ft. Pierce City Hall

Cost: \$25 pre-paid

**You will receive lots of personal instruction from a knowledgeable coach familiar with Nikon, Sony, or Canon cameras**

This camera settings workshop is to help you rely less on AUTO setting and show you how to use other settings to get a better photo.

Learn how to dial in settings to give you more of what you want in a photo or change what you don't want.
